INTRODUCE

Since 1995, we began operating in the field of agricultural mechanization under the legal status of a private enterprise located in Block 5, Phu Lo Commune, Soc Son District, Hanoi.

After more than 10 years of operation, in 2006, we established Hai Son Import Export and Trading Company Limited with the purpose of improving capacity and expanding fields of operation.

With our desire of developing Vietnam's agricultural industry, we are proud to be one of the leading companies in contribution of agricultural mechanization in Vietnam.

We do our utmost to improve the quality of products and services towards the highest satisfaction to customers.
